The Honourable Gerry Phillips
Ministry of Energy
Hearst Block, 4th Flr, 900 Bay St
Toronto ON M7A 2E1

Dear Minister Phillips,

York Region Power Plant

In light of the introduction of the Lake Simcoe Protection Act on Tuesday 17 June, 2008, we respectfully request that the York Region Working Group be reconvened. We request that there be local representation from the Town of Georgina and East Gwillimbury on this working group and that there be further evaluation the environmental impacts of a fossil-fuel burning plant on both the local air quality and water quality.

Thank you for your consideration.

Dr Rick Smith
Executive Director
