Niagara West-Glanbrook Provincial By-Election Questionnaire

Question #1: Do you support Ontario Power Generation's proposal to raise the price of its nuclear electricity by 180% to pay for the continued operation of its money-losing Pickering Nuclear Station and to re-build the Darlington Nuclear Station?

Answer: Yes_____ No_____ Undecided_____

Additional Comments:

We oppose raising the price of electricity by 180%

Question #2: Do you believe that the Pickering Nuclear Station should be closed in 2018 when its licence expires?

Answer: Yes_____ No_____ Undecided_____

Additional Comments:

Yes

Question #3: Should the Government of Ontario seek to negotiate a long-term electricity supply contract for Quebec water power which will allow us to cancel the Darlington Re-Build Project and lower our electricity rates?

Answer: Yes _____ No _____ **Undecided**

Additional Comments:

The government should seek ways in which we can reduce the cost of electricity for Ontarians.
