

## 2011 Federal Election Questionnaire for Party Leaders

**Question:** Do you believe that Canadian taxpayers should subsidize the construction of new nuclear reactors in Ontario?

**Answer: (Please circle one)**

a) Yes

b) No

c) No Opinion

### Additional Comments:

The Bloc Québécois is opposed to the federal government supporting this energy system in any way. Furthermore, we believe that nuclear waste should be managed locally. We do not want Québec to bear the costs of Ontario's energy choices.
